

Roby Park Primary School

Reception Parents' Phonics Workshop Monday 3rd October 2022

"Wonderful ideas to help. I found this workshop really helpful."

"A really helpful event and a great way to see how the children are taught."

"It was really helpful and an insightful session - it has given me lots of ideas to take home and try. Thank you."

"It was really enjoyable and informative. I loved watching the class lesson to see how it all works."

"Very informative and helpful - thank you."

"This helped me to understand and have confidence to help my daughter to learn."

"It was informative. It was great to see them enjoy the class."

"It was really good to see how the children learn and the process so we can do it at home. The support both parents and children receive is really good."

"It was a really fun and informative session. I feel equipped to help with this at home."

"It was really informative and helpful."

"Thank you for this event. It was a great effort and very helpful."

"It was a well organised workshop that allowed us as parents to be aware of the way our children are taught and for us to work close with them."

"An excellent session - very helpful and great delivery, with a nice mix of talking and practical."
