My daughter is happy and has made so much progress at this school. Thanks to all of the teachers and support staff.

We are very pleased with our son's progress. He really enjoys school.

This school is a very loving and caring environment for children at such a young age. The school leadership is outstanding and the commitment, devotion and passion that is shown speaks volumes! We all love Miss Murphy!

This is such an amazing school, with positive core values. The inclusive environment and positive experiences provided for children and parents are exceptional. Such a strong community feel.

I love this school. I always tell people how good it is and how much they do for the children. I hope my daughter gets her place in Reception.

A brilliant school! Thank you.

My daughter loves school so much. She raves about her friends and teachers so lovingly and he is always excited to go in of a morning. We hope she gets her place for September as we don't want her to go anywhere else. This school is perfect for her.

I am so pleased with the activities my children are able to take part in at Roby Park. I often offer them as suggestions at my own school and staff are always very impressed.

The commitment from the staff at Roby Park is like no other. The way in which children's needs are prioritised and met is phenomenal. The staff are dedicated and the offer our children get is truly wonderful. We couldn't possibly think of anywhere better for our child to go and thrive. Every child and parent should get the opportunity to be a part of the Roby Park family.

I couldn't say enough to show how happy I am with this school. The staff are very, very friendly, very supportive and respectable. I want to say a special thanks to all staff and especially Mrs Allen Miss Murphy, Miss Carr and Miss Clarkson..

I am so pleased with the values of the school and making parents come together to support and fundraise. This has helped me become friends with other parents.

The school is making lots of changes for the good of the pupils.

Roby Park is an incredible school. I am so happy with the amazing start to school our child has received and the experiences and learning she has gained. When she has struggled, support has been immediately implemented. Thank you for all that you do.

This school is brilliant!

Both of our children love the school and enjoy being here.

This school is absolutely amazing!

What an amazing school!

I am more than happy with the school all that they do for my son.

I love this school. My daughter is very happy here and the school encourages parents to be involved. I don't like Class Charts (sorry). I don't receive messages on time with this service. Otherwise, a "perfect school".

I have seen a brilliant improvement in my son's Maths and attitude to school since Mr Swatman took over. My son seems to love school now even more than he used to.

Roby Park is a school like no other. We have been impressed from day one and continue to be so. All staff – thank you!

I couldn't be happier with this school and how happy my children are. The staff are always willing to help whatever the problem. My children are very happy and settled.

I am not a fan of Emile due to problems of hearing and text size on equipment used. However, I will persevere. On a more positive note, thank you for all of the experiences you provide.

It is a pleasure for my son to attend this school. Excellent – 10/10!

This school goes above and beyond. My child has not been here long, and he is so happy and settled here. Thank you for everything that you do.

We have had great feedback tonight. Very pleased!

My child is very happy in Miss Worthington's class. He has settled very well.
