This week's news...

## NSPCC Number Day—this Friday

This Friday, children can come to school dressed in clothes with numbers or patterns as part of NSPCC Number Day. If your child/ren don't have clothes with numbers or patterns on, they can wear their own clothes or uniform. Whatever they are happiest in.

We will be collecting £1 donations for the wonderful charity, NSPCC, who tirelessly work to prevent abuse, help rebuild children's lives and support families.

We will also be hosting a bake sale after school on Friday to raise additional funds for the NSPCC. If you would like to donate any home made or shop bought cakes for our sale, they would be gratefully received. Please drop them off at the office on Friday morning.

Thank you so much for your ongoing support.

Whole school attendance is below our school target of 96% at 92.7%. Holidays will occur warnings and £120 fine per parent per child. There were 220 minutes of missed learning this week due to poor punctuality which needs to improve. Parents/carers need to make sure their children don't fall behind because they are late. Gates open at 8.40am and learning starts at 8.45am. 25 children from 18 families were late this week. Please ensure your children do not miss out by being early. 10 unauthorised lates in the space of 10 weeks will result in a fixed penalty notice. Please be on time. If your child has repeatedly been late, expect contact from school and potentially a home visit from the Local Authority Attendance Team. If your child is missing school, they are missing out on learning, enrichment experiences and time with their friends which have a negative impact upon their wellbeing.
